APPENDIX G

RISK MANAGEMENT POLICIES AND PROCEDURES

Name of Firm: Dentons Canada LLP

Please provide a full description of the Firm's most current risk management policies and procedures or, if appropriate, an update to your response to Appendix G of last year's renewal application.

John Esvelt is Dentons Canada Region General Counsel with general responsibility for risk management issues. The Firm's Partnership Board also has a Risk Management Committee.

Nationally, the Firm has introduced a new and enhanced Client Matter Intake Policy and Process which reflects the industry's best practices, the CBA Task Force on Conflicts of Interest's recommendations and the internal and external risk management audits. Moreover it includes a Know Your Client program which complies with the law society rules of Ontario, British Columbia, Alberta and Quebec.

Protective Screens and Ethical Walls are employed where appropriate and communicated to all offices via e-mail.

In addition, the following policies are in place:

- | Global policies | Local policies |
|---|------------------------------|
| > Anti-Bribery | > Anti-Spam Legislation |
| > Anti-Money Laundering | > Computer Use Policy |
| > Conflicts | > Restricted Trading Policy |
| > Escrow | > Terms of Business – Canada |
| > Global Anti-Spam Policy | |
| > Global Standards | |
| > Insider Trading | |
| > Variation from Standard Engagement Agreement Policy | |

Lawyers also participate in continuing education programs, both internal and external seminars and meetings, to be up-to-date with changes and to discuss developments in the law.

In 2008, the Firm conducted both an internal and an external Risk Management Audit through CLLAS. The reports were both generally very positive and revealed a relatively low risk profile for the Firm. The reports contained suggestions to further reduce the Firm's risk profile. In 2009, the Firm began the process of implementing the report's recommended changes to the Firm's Risk Management practice and procedures.

In 2015, the Firm conducted an external Risk Management Audit through CLLAS. The results have not yet been provided by the auditor, however, the Firm will, as has been our historic practice, immediately address any inadequacies (if any) identified in the Audit.
