## CLLAS 2025/2026 Renewal Application for Excess Professional Liability Insurance

### Question 9 Additional Details

Summary of the suspension:

- Name: Sam Cole
- Duration of Suspension: No yet known
- Reasoning: On March 13, 2020, Mr. Cole received a citation by the Law Society of British Columbia (LSBC) for an incident that occurred around March to April of 2014. The LSBC asserted that Mr. Cole either ought to have known, or it would have been reasonable for him to make inquiries, whether the CEO of his client was in possession of material undisclosed information at the time a third-party individual (which the CEO later admitted to controlling) participated in a financing conducted by the client. The matter went through a hearing and then an appeal that resulted in the LSBC Tribunal's decision on December 15, 2023. Following a sanctions hearing at two levels of the Law Society, Mr. Cole is now appealing the Sanctions Hearing Decision. Determination of whether there will be a suspension only or a suspension and a fine is the main issue. At this time, the suspension is expected to be stayed pending Mr. Cole's appeal. It is not expected that any suspension would be effective in 2024 whilst the matter is working through the Court of Appeal process.

### Name of Firm

Cassels Brock & Blackwell LLP

Please provide a full description of the Firm's most current risk management policies and procedures or, if appropriate, an update to your response to Appendix G of last year's renewal application.

## **CLLAS Renewal Application**

### **Appendix G — Risk Management Policies and Procedures**

(originally filed in 2009; latest review and revision February 2025)

**Name of Firm: Cassels Brock and Blackwell LLP**

1. Please advise if there is a committee or partner with overall responsibility for professional liability risk management of your firm.

**The Audit & Risk Management Committee (ARMC) maintains overall responsibility for professional liability risk management at the Firm. In the performance of that function, the Chair, John Birch (who is a Partner of the Firm) is supported by the Firm's General Counsel Office consisting of (i) the Firm's General Counsel Tamara Prince (who is also a Partner of the Firm), (ii) Associate General Counsel Monica Pak, (iii) Associate General Counsel & Chief Privacy Officer Kristen Lai and (iv) Stephanie Fulton Insurance, Regulatory & Compliance Management Officer.**

**The ARMC is responsible for the administration of the various insurance policies maintained by the Firm. This Committee, which includes at least one senior litigation lawyer and two Executive Committee members, monitors all claims made against and otherwise reported to the professional liability insurers.**

**The ARMC is also responsible for maintaining standards of practice and ethics within the Firm and, where applicable and/or relevant to risk-related matters, helps to guide the Firm's various enterprise-wide training and development programs. The Firm's General Counsel Office is the primary point of contact for Engagement Letters and Outside Counsel Guidelines.**

**The Firm's General Counsel Office is the primary point of contact for identifying and resolving conflict issues and overseeing protective measures such as confidentiality screens and client consents.**

2. Please provide a full description of the firm's risk management policies and procedures and include the following:

**The Firm has written policies and procedures dealing with a number of risk management areas, including conflicts of interest, trust funds, lawyers acting as directors and officers, ownership of significant interests in a client, audit enquiries, professional conduct, ethics and standards, professional development, confidentiality and security, pre-clearance of securities trades, file intake, retainers, sanctions and IT & Data related policies. The Firm also provides guidance to lawyers regarding opinions and outside counsel guidelines.**

- (a) A list of the firm's written risk management policies and procedures (e.g. with respect to client intake, conflict checking, lawyers acting as directors or officers) and how these policies and procedures are communicated (e.g. internal practice policy or policy manual, seminars, etc.).

**The Firm's risk management practices, policies and procedures are documented in the Firm's policy manual and in stand-alone policies, which include the following:**

- Client Intake Procedure
- Conflicts Checking Procedure
- Directors Policy
- Procedure for reporting errors and omissions
- Securities Trading Policy
- Ownership Interest Disclosure Policy
- Acceptable Use of Information & Technology Policy
- Sanctions Checking procedures
- Data Retention Policies
- Audit Inquiry Policy
- Generative AI Guidelines
- Code of Business Conduct and Ethics
- Opinions Guidelines Policy

New lawyers and other employees receive instructions regarding the Firm's risk management practices, policies and procedures during orientation and on-boarding sessions that are carried out by the General Counsel Office. All risk management practices, policies and procedures are readily accessible to all lawyers and staff on the Firm's intranet and in the Firm's document management system. Lawyers and staff are advised of updates to the Firm's risk management practices, policies and procedures as they occur and appropriate amendments are reflected in the policy manual and document management system and integrated into the Firm's ongoing professional development and training programs.

Lawyers are also instructed to reach out to the ARMC, or the General Counsel Office, in the event that they have any risk-related questions. This commitment to open lines of communication and transparency is supported through appropriate messaging from the office of the General Counsel, the Chair of the ARMC, the Firm's Managing Partner.

- (b) The firm's procedure for opening or starting work on a file (e.g. use of a standard new client form, retainer letter, conflict check, approval process, etc.).

#### **File Openings and Conflict inquiries**

For all new files (including for existing clients), the client and matter name and the names of known adverse and related parties are searched on both the client and matter levels in a database of firm matters going back several decades. Search results are provided to the lawyer that is opening the file for his or her review. If a potential conflict issue is identified by such lawyer, the General Counsel Office assists with determining whether a conflict exists and, if so, whether it can be addressed through proactive measures. If the Accounting Department is advised that there is no conflict, the file is opened. If the Accounting Department is advised that there is a conflict, the file is not opened.

A Daily Open Client & Matter report is circulated firm-wide to all lawyers and assistants, which lists the new files opened that day. As expressly noted in each opening statement of that daily report, it is the responsibility of each lawyer to review the report and act immediately if a potential conflict is disclosed.

### **Retainer Letter**

The firm's policy is that there must be an engagement letter in place with a client to cover all files for that client (even for existing clients). Engagement letters are issued for each matter unless there is an umbrella engagement in place, in which case each new mandate is further confirmed in writing. The engagement letters address the following matters:

- Scope of work
- Name of the lawyer(s) providing the services (optional)
- Name of the principal lawyer
- Fees
- Out-of-pocket expenses
- Retainer and trust deposit (if required)
- Billing arrangements and terms of payment
- Termination of representation (withdrawal circumstances, etc.)

In addition, standard terms and conditions (contained in a separate document that is sent with the engagement letter) are incorporated by reference into all engagements.

### **Tickler/Follow-Up Systems**

The firm has a centralized diary system to track deadlines. It is the responsibility of each lawyer ensure their matters are properly diarized.
